 Categories are rough groupings meant to provide opportunities for all. Contact the ARA coach if you are uncertain what group you are in.
 The schedule and event categories are subject to change depending on entries.
 Doubles may be rowed by rowers who are "in a bubble" with other rowers, whether family or by choice of rowing partner. Rowers may also request a coach-set double with other rowers comfortable with that.

Signup procedures

Anchorage Rowing Association members: See instructions on the ARA calendar. Pay your fee and you will be sent a Survey Monkey survey to note your boat preferences and any rower-chosen lineups.

Other teams: Email lineups by event and provide rower names and birthdates. Please mail payment for the entire team to ARA. We welcome anyone who can safely attend under current local and state pandemic guidelines and can provide their own equipment. Equipment loan is uncertain at this time.
